

Business Ads Now Available on Straight Eights' Website

In addition to our successful automotive sale ads, the Straight Eights are now offering business ads. For \$25 a month, you can run an ad on the public, private or both sites; whichever option you choose, it is only \$25 a month.

Also, you can run three types of ads:

Business Card + Text – Send a high res jpeg of your business card to 8s_newseditor@prodigy.net. Your business card can just sit pretty, or we can link it to your business site! In addition, send us 25 words of text about your business.

Logo + Text – Send a high res jpeg of your logo to 8s_newseditor@prodigy.net + 25 words of text about your business, and we will link your logo to your site.

Text only – Send the 35 words of text for your ad to 8s_newseditor@prodigy.net + a Web address for your business.

As with all ads, let us know if you want it to run public, private or both. Once you have contacted the Newsletter Editor, he will give you payment information. It is that easy! All proceeds will help the Straight Eights plan wonderful activities for you to enjoy.

But wait, there's more! You don't have to be a Straight Eights club member to advertise with us. Everyone's money is accepted here!
